### Reflection

The Book of Daniel, from which our First Reading is drawn, was written some two centuries before the birth of Christ. This is only significant in that many of the prophets (Daniel is considered one of the major prophets) lived as many as six centuries before Christ. However, regardless the timeline, we need to be moved by and appreciative of the prophecies we find in the Old Testament. In the passage in today's reading it states, "The one like a Son of Man received dominion, glory, and kingship."

### Stewardship

Today, of course, is the Feast of the Transfiguration of the Lord, and this reading very much parallels what is portrayed in the Transfiguration. The interesting point within this reading from Daniel, however, is that it refers to the "Son of Man," which is the term Jesus Himself used most often to describe Himself.
