**Reflection** 

Today's readings prepare us for the penitential season of Lent. In our Gospel, a leper knelt before Jesus and said, “If you wish, you can make me clean.” Jesus reached out and touched this diseased man and healed him. He then encouraged the man to show himself to the priest and offer himself a cleansing, referencing what was commanded in the Law of Moses. By completing these rituals, this man might be reinstated into the community. Let us approach this holy season of Lent like the leper.

**Stewardship**

And like the leper, we too should go forth from being healed with a commitment to cleanse ourselves from the lasting effects of sin. Lent is a time to offer acts of reparation through Prayer, Fasting, and Almsgiving so that we might be purified in all areas of our life and walk with the Gracious Healer, Who sacrificed His life for our sake. This holy season of Lent is an opportunity to be healed and cleansed on our journey as disciples of Christ. Let us consider what we can do to offer acts of reparation so that we might be purified and one day partake in the resurrection of Christ.
