**Reflection**  
Our readings today teach us what it means to bear fruit as disciples of Christ. We hear in each of our readings that it is from the Lord that good effects will be produced in our lives. In our first reading, we hear about disciples that were preaching the Good News and defending the faith. The work they were doing was “with the consolation of the Holy Spirit.” It was not their work alone, but the work of God.

**Stewardship**

That could mean opening our day with a prayer of thanksgiving, smiling at those we see on the street, asking God for help as we begin our workday, praising God in moments of trial, taking time to listen to our spouse after a long day. To remain in Christ means, in all that we do, we do it with the Lord. When we live a life like that — as a branch never separated from its vine — God will produce bountiful fruit in our lives.
