**Reflection** 

Today’s Gospel presents Jesus’ teachings on the two greatest commandments. Love the Lord with all your heart, soul, mind, and strength. And love your neighbor as yourself. Let’s consider these “greatest commandments” as they relate to three aspects of a Christian steward’s daily life — the giving of our time, talent, and treasure.

**Stewardship**

The use of time refers primarily to our relationship with the Lord — in other words, our prayer life. Since time is a gift to me from God, I show my love for Him and my gratitude for this gift by giving Him the best portion of my time. Of course, it is vital to talk to God throughout the day, but if I really want to love Him with all my heart, soul, mind, and strength, shouldn’t I make time for God “first” on my agenda each day? Not as an afterthought, but as a time I have intentionally chosen to spend only with Him.
