Reflection 

In our Gospel today we hear the story of a man who ran up to Jesus and asked Him what he must do to reach eternal life. Jesus said, “You are lacking in one thing. Go, sell what you have, and give to the poor and you will have treasure in heaven; then come, follow me.” It says the man went away sad because he had much. We might cringe when we hear this story because it is sad — this man was so close to becoming an active disciple of Jesus, but instead turned away. We also might cringe because it could be deeply applicable to our lives.

Stewardship

If we look at our own lives, we can most likely think of something that we tightly carry with us. Maybe it is possessions — material goods or money — like Jesus references in our Gospel. Or maybe it is something less material — like status, pride or control. Jesus doesn’t want our stuff — our job promotions, our designer house or our bank account. He just wants us. So, we need to be willing to strip those things from our lives in order to reach Him. It might seem difficult, but the outcome will be more than we could have ever imagined — peace on earth and treasure in heaven.
